

# POM SYMPOSIUM IN PARIS 2023

## POM symposium in Paris

The mini-symposium will take place in Paris on Friday, October 20th and Saturday, October 21st.

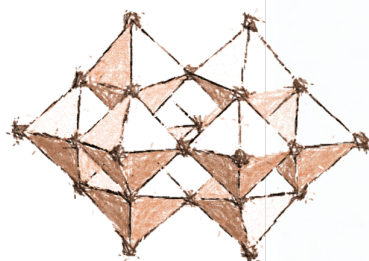

The format of this meeting will roughly allow 4 invited lectures (45 min), 3 keynotes (30 min) and about 15 oral communications (15 min).

Posters will be displayed throughout the two days and poster sessions combined with coffee breaks.

## Mini-Symposium

October 20<sup>th</sup> and 21<sup>st</sup> 2023 - Paris

### Invited speakers

Ellen MATSON  
Carsten STREB  
Graham NEWTON  
Andrea SARTOREL

Venue

The venue will be at the Campus Pierre et Marie Curie of Sorbonne Université, 4 Place Jussieu, 5th district. It is served by metro lines 7 and 10 (Jussieu station). More precisely in the Esclangon building (the top left building on the map).
